

Forrest College

Notice Regarding Changes to Academic Program Offerings

Forrest College has **discontinued** offering certain certificate, diploma and degree programs as listed below. This is due to low demand in our training area caused by many factors but due primarily to the Chinese Pandemic's effect on enrollment and College operation:

- Certificate in Criminal Justice, discontinued effective June 30, 2020
- Certificate in Nurse Assisting, discontinued effective June 30, 2020
- Diploma in Computer Repair and Service Technician, discontinued effective June 30, 2020
- Diploma in Network Repair and Service Technician, discontinued effective June 30, 2020
- Associate Degree in Information Processing, discontinued effective June 30, 2020
- Associate Degree in Criminal Justice, discontinued effective July 1, 2020

The College will **continue to offer** the following CEU, diploma and degree programs:

- Associate Degree in Business Administration
- Associate Degree in Medical Assisting
- Diploma in Phlebotomy
- Continuing Education Program (CEU) in Nurse Assisting

Interested persons wishing to make application to the programs that the College will continue to offer are encouraged to do so. You will be wait-listed for the program of your choice until such time as the College determines it will offer the course.

Note: Please do not pay the application fee. We will contact you when we plan to offer your course and at that time you will need to complete the application process, including the payment of the application fee.
